DISPATCHED BY

MM Docket No. 93-73

In the Matter of

Amendment of Section 73.202(b). RM-8097
Table of Allotments,
FM Broadcast Stations.
(Nogales, Arizona)

NOTICE OF PROPOSED RULE MAKING

Adopted: March 8, 1993;

Released: April 8, 1993

Comment Date: June 1, 1993

Reply Comment Date: June 16, 1993

By the Chief, Allocations Branch:

1. Before the Commission for consideration is the petition for rule making filed on behalf of Felix Corporation ("petitioner") seeking the allotment of Channel 256A to Nogales, Arizona, as that community's second local FM service. Petitioner stated its intention to apply for Channel 256A if it is allotted to Nogales.

2. We believe the public interest would be served by proposing the allotment of Channel 256A to Nogales since it could provide an additional local aural transmission service to the community. Channel 256A can be allotted to Nogales in conformity with the minimum distance separation requirements of Section 73.207(b)(1) and (3) of the Commission's Rules, provided the transmitter is located at least 2 kilometers (1.2 miles) east of the community¹ to avoid a co-channel short-spacing to a proposal to allot Channel 256B to Sonoita, Sonora, Mexico.² Additionally, since Nogales is located within 320 kilometers (199 miles) of the United States-Mexican border, the Commission must obtain the concurrence of the Mexican government in the proposal.

3. Accordingly, we will seek comments on the proposed amendment to the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to Nogales, Arizona, as follows:

| City | Present | Channel No. | Proposed |
|------------------|---------|-------------|------------|
| Nogales, Arizona | 252A | | 252A, 256A |

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before **June 1, 1993**, and reply comments on or before **June 16, 1993**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner's counsel, as follows:

Robert Lewis Thompson, Esq.

1776 K Street, N.W.
Suite 200
Washington, D.C. 20006

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See *Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Nancy Joyner, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.

¹ Coordinates for Channel 256A at Nogales are 31-20-24 and 110-54-56.

² Coordinates for proposed Channel 256B at Sonoita are 31-51-52 and 112-41-30. Consideration of this proposal, and termination of this proceeding, is conditioned upon the adoption of a working arrangement between the United States and Mexican governments to implement the 1992 U.S./Mexico FM Broadcast Agreement.
